This month we Focus On...Overalls. There's a wide choice of overalls for various purposes, and we'll help you through the terms, choices and decisions you need to make at Midgetmax.blogspot.com. You can also see our previous Focus On... articles.

If there's anything relating to motor racing clothing you want discussed, please [contact me](#) and I'll see if I can include the topic in a future Focus On...if we use your idea you will receive a racewear gift voucher value £10 with our thanks!

Visitors to Race Retro on 12/13/14 March will find us in our usual spot, stand A2 in Hall 2. Print out this email and bring it along with you, and we'll give you a pair of Nomex socks if you spend more than £100! Even if you don't need to equip yourself this year, pop along and say hello so we can put a face to the name.

The *racewear roadshow* is bringing racewear to you. If you have a club night, event, race meeting or show and want to see the latest trends in racewear and accessories, then [contact us](#). Check out proposed dates so far [here](#) - remember our next major display is at Race Retro at Stoneleigh on 12/13/14th March. See you there?

Keep in touch: become a fan of our [Facebook page](#) or follow @sarah_racewear on [Twitter](#).
